We can suggest good local suppliers (those we're used to working with), or you can choose on your own. For the caterer, if he or she is new to the château, we simply ask that they come and familiarize themselves with the premises beforehand to ensure that everything will be perfect on the day of the event.
- ❖ **Summary of the house rules:** “make yourself at home but treat it with care.” The château is a recognized historical monument:
 - The castle is 100% non-smoking indoors. Smoking can happen outside, away from entrance doors.
 - No food or beverages in rooms or lounges (fragile furniture and carpets). Exception possible in the bride and groom's room (talk to us).
 - No pets allowed.
 - If there are children, they must be under the permanent supervision of designated adults (fragile gardens and potentially dangerous pools).
 - Access to the kitchen is reserved for the caterer and staff.
